Witch: You betrayed the magical code

Wizard: Betraying the magical code has great consequences

Witch 2: You must now face your new destiny

All witches/wizards: Hum-wum-dum-fum-sum-gum

Witch: You are now cursed as the Wizard of Mudd, you can only use Mudd magic and must stay in the Mudd dimension. Muhaha

Wizard of Mudd: Nooooooo, please nooo

[Wizard of Mudd is sent to the Mudd dimension through a portal]

Witch: Goodbye

Narrator: The Wizard of Mudd, who many call the WOM, was locked away in the Mudd dimension, which can only be accessed every 100 years. He has been trapped in the dimension for thousands of years, and is known to be the leader of the Mudds.

{In the prison, present day}

Tommy: Can I have some candy

Neighbor: Please stop, you can't do this every five minutes.

Tommy: Pleeeaaassseee

Neighbor: Fine, but only if you give me the key that the guard has

Tommy: What key

Neighbor: Go through the vents and get me a key

Tommy: Okay

Neighbor: Like stealing candy from a baby, literally, muhahaha

{Thirty minutes later}

Tommy: I got the key now give me candy

Neighbor: I'm not giving you candy, you ungrateful pathetic brat

[Tommy starts crying]

Neighbor: Now give me the key

Tommy: No, it's mine

[Neighbor punches tommy, killing him]

[Neighbor takes the key]

Neighbor: haha I have the power

[unlocks cell, and escapes, punching guards in her way]

{Near Judy's house}

Judy: I'm so glad we got rid of the neighbor, she was very annoying

Hemery: Check your phone

Judy: I don't have one, I got it lost in the mud yesterday

Hemery: oh anyway, the neighbor escaped prison, she killed Tommy and four guards were injured

Judy: Oh no, she's gonna come for me

[tornado sirens go off]

Hemery: Run she's behind us

Neighbor(flying): You can't escape this time, I will never be defeated

Hemery: You might want to look behind you, there's a tornado

Neighbor: Oh is there

[neighbor flicks wrist at Judy]

[tornado flies towards Judy and Hemery]

Neighbor: Muhaha, like I said, I will never be defeated

[Judy and Hemery get caught by the tornado]

Act II

Judy: We're not in Tallahassee anymore, where are we

Hemery: I don't know, but I hate this world

Voice: Do you need help?

Hemery: Who the heck are you

Voice: Well, I'm the Aluminum man

Judy: What

Aluminum man: My only wish is for a brain, I'm very dumb

Hemery: Okay whatever, we need to get out of here, because our neighbor is going to kill everybody.

Aluminum Man: We gots to act fast then, because the gateway will close after the day is over

Judy: We only have three hours then

Hemery: No, idiot, we have 10 hours

Judy: oh

Aluminum man: First we need to find the key to the castle, then we need to...

[Aluminum man gasps for air, then falls]

[Neighbor is behind him]

Neighbor: You will never escape

[Neighbor raises hand]

[Judy and Hemery float into the air]

[Neighbor walks to hole in the ground]

[Neighbor flicks wrist down]

[Judy and Hemery fall into hole]

Judy: How is she able to fly

Hemery: I dunno, but I saw on TikTok how to get out of holes, all you need to do is dig a staircase

Judy: Okay, how long will it take

Hemery: Like 5 seconds

Judy: Hemery, you watched a timelapse

Hemery: Oh

Judy: We could use this staircase in the dirt

Hemery: Perfect, but we have to run fast when we get out, your neighbor is probably right there. Just run to the castle

Judy: You know I can't run Hemery

Hemery: Just try

Judy: Okay then

[Judy runs up steps and out of hole]

Judy: Hemery it's safe, nobody's here

Hemery: Don't stop, keep running, I'll meet you at the castle

[Judy continues to run]

[Hemery climbs out of hole]

[Neighbor grabs him]

Act III

Judy: Where is Hemery, I've been waiting long enough, I'm going in

[Judy turns door knob, but it doesn't work]

Judy: Aw darn, it's locked, how am I gonna get inside

[Door unlocks and opens to show a staircase]

Judy: Ugh I've already climbed enough stairs today

Mysterious voice: Hello Judith B. Mudd, to get your friend you must climb the stairs and fight for him.

Judy: Who's there

[No response]

Judy: I hate stairs, why can't I fly like Alexis, it would be so much easier.

[Judy flaps her arms as if they were wings]

Judy: Hmm

[Judy jumps three times, each time slightly higher, and on the fourth jump she flies]

Judy: Yes, this dimension is so cool

[Hemery screams in the distance]

Judy: Fear not Hemery, Judy Mudd is here

[Judy runs into door, without opening it]

Judy: Oops

[Judy opens door, then runs through it]

Man(with his back to the camera): Judith Brownie Mudd.

Judy: Let us out of this world

Man: Why would you want to leave your world, I got rid of your biggest problem.

[Man flicks his wrist]

[A blanket pulls off, showing the neighbor lying on the ground]

Hemery: But, why did you kill her

Man: She brought me the wrong person, I wanted Judy, not this squirrel.

Judy: Can I ask a question?

Hemery: Idk

Wizard of Mudd(WOM): no questions

Judy: Do I have powers?

WOM: I said NO QUESTIONS

[WOM pushes hand out and sends Judy to a dungeon]

Hemery: where is she

WOM: The dungeon, she can't leave this dimension, I need her

Hemery: Why didn't you send me

WOM: because your going to keep her there, I can't perform my ritual until sundown

Hemery: What ritual

WOM: No QUESTIONS

Hemery: Judy be quiet, no talking in the dungeon it's against the rules

Judy: Hemery why are you against me

Hemery: The old dude gave me this old cat and said he'd clear my criminal record if I guarded you

Judy: Ughh

Popsicle Man (whispers to Judy): Who's this guy

Judy: He's supposed to be my friend

Hemery: hey old dude, they're taking

WOM: This is your job, and if you can't do it then you're in the dungeon too, also call me by my name

Hemery: Okay old dude

WOM: what did I just say

Hemery: eat some bagels??

WOM: NOOOOOO! you're in the dungeon too

[WOM slams door shut]

Act V

{at town hall}

Mayor: Guys we need to find the three missing people, it's been a hundred years and you know what that means

Person 3: That's fake, no one believes in that anymore

Person 4: Yeah not a single person believes that

Mayor: But what about the mud spraying out of the tornado

[Breaking News pops up on the screen]

News Reporter 1: Breaking News, Alexis Karenson has been found dead in a Walmart

New Reporter 2: Officials say that she slipped and fell on some American Cheese, and then fell in some brownies, which oddly resemble Mudd.

News Reporter 1: Anyway, back to you Ted

{The Mudd Dimension}

[Judy and the Popsicle man fly up to the WOM]

WOM: It is time for the final stages

Judy: Of what

WOM: My plan

Judy: Oh you want to sell popsicles that's why you got me and a popsicle seller

WOM: No, ugh only 4 hours to sunset, there's barely enough time

Judy: Oh no, the people need popsicles

WOM: Just shut up, anyways, Hum Dum Pum Rum and Gum, sung and hung, swim and dim

[Judy and the Popsicle Man turn to popsicles]

WOM: In three hours I must eat the popsicles to return to Earth.

{at the exit to town hall}

Crowd: Mr Mayor, what is the cause of this murder

Mayor: it was not a murder, the woman slipped on some cheese

Crowd: No she was murdered, they found evidence that she was pushed

Mayor: Well we are investigating and will update you when new information comes out

[climbs into limo and drives away]

{in the dungeon}

Hemery: I wonder where the old dude took Judy and the other guy, I'm gonna go investigate, there aren't any guards

Act VI

[Hemery slowly walks up the stairs]

{in the town}

News Reporter 1: We now tune in to a surprise speech from the mayor

Mayor: Hello everybody, we have found two dead bodies in the Bob's Bakery parking lot. One of the bodies belonged to Judith Brownie Mudd, one of the people who went missing earlier today. The other dead body belonged to Franky Snell, who sold popsicles in this city 130 years ago and went missing. Both bodies were found in a strange juice, and we are starting an investigation tomorrow.

News Reporter 2: Be sure to tune in at 2pm tomorrow for more information on this case

{in the town hall}

Mayor: I would like to declare an emergency.

Person 3: No this is not the Wizard of Mudd, that is a tall tale taught to third graders for entertainment

Person 4: No I think he has a point, we need to do something.

Mayor: now that I have some backup I'm going to do it.

{on TV}

News Reporter 2: The mayor has just announced that everyone in the city must stay indoors and may not leave their homes until sunrise

{1 and a half hours later, in the Mudd Dimension}

Hemery: Finally climbed all those stairs

WOM: Who goes there

Hemery: Nobody

WOM: You have five seconds to tell me who you are

Hemery: I am Judith Brownie Mudd, I think you should let me go

WOM: I'm not an idiot, you're obviously Hemery, and Judy is right there

[WOM flicks his wrist]

[Hemery is flung against the wall and can't move]

WOM: I have a plan, and you're part of it. You see I needed two sacrifices for the final step, another Mudd, and someone from the previous steps. There are 38 steps and I'm finally on the last one. It has been almost 5,000 years since I figured out all the steps and I can only complete one every year. This is the last plan, turn a popsicle man and another Mudd into popsicles then eat them. However, the law of the Mudd dimension says there must be a Wizard of Mudd to replace the current or the current one cannot leave. So you're gonna replace me!

Hemery: No I can't be trapped here forever, no, no...no

WOM: Well that's too bad, because I am about to eat the popsicles and you're going to watch me

[WOM starts to eat the Popsicle Man]

[While he is doing that Hemery escapes and breaks Judy out]

[WOM finishes the Popsicle Man]

WOM: HEY, get back here

[Hemery pulls a lever]

[Judy runs through the portal that appears]

WOM: You little, you've left me no choice, I didn't want to do this

[a popsicle Alexa Karenson flies towards him and he starts eating it]

Act VII

[A ring of light sucks the WOM upwards and he is transported]

[Hemery starts to transform]

Hemery: I will find the Wizard of Mudd, and make him pay for what he has done to me

{The Sahara Desert}

[Judy comes out of the Portal]

Judy: Look there's a mud brick road, Imma gonna follow it

WOM: Hello Judy, I need to get to Tallahassee, but I don't know where I am

Judy: I think we should sing a song

Singer (with a gruff voice): Follow the mud brick road, follow the mud brick road, follow follow follow follow follow the mud brick road

[Judy skips along the road as the song plays]

WOM: this is stupid, the sun hasn't set yet, I'm teleporting

Judy: Well don't just leave me here

{Tallahassee, Florida}

WOM: Hello everybody, I have returned

Mayor: OMG it's him

News Reporter 1: The votes have been counted and Charles BillyBob, has been unelected as mayor

News Reporter 2: Our new mayor Gerald Gerkey has been elected and will take office this minute

Person 3: Everybody, you may come out of your homes, hello sir, what is your name

WOM: I am WOM, thank you for accepting me Mr. Mayor

Mayor: What no that's the Wizard of Mudd

Person 3: Stop with your nonsense, I am the mayor now and you will leave this man alone for the rest of his life

Mayor: I will prove you wrong and win my spot as mayor back

[The sun sets and the tornado comes back]

Person 3: Everybody follow me to the basement

[Everybody follows]

Person 4: We never get tornados where are these coming from

Person 3: I don't know ask your mom

Person 4: Okay

{Egypt}

Judy: Wow look at these beautiful pyramids, I'm gonna go inside

[Judy walks inside, but falls through a massive hole in the floor]

Sphinx: Judy B Mudd, you must answer my riddle or forever be in my hole

Judy: Umm C

Sphinx: I haven't asked the question yet

Judy: oh, okay

Sphinx: How does a pizza find its pepperonis

Judy: because the pizza feels sad when it doesn't, so it asks the pizza man for some pepperonis

Spinx: Correct, enjoy your exploration of the pyramids
