

Vinyl Checkout Agreement

When checking out vinyl musical records, these agreements are to be signed by the patron. If agreements are broken, the patron is responsible for all damages done to the item(s) checked out.

1. Records are to be stored vertically on a solid surface, NOT flat on an unstable surface.
2. LPs and jackets are to be kept in their protective sleeves when not in use to prevent damage to the album.
3. LPs are NOT to be played in suitcase players as these are not good for them.
4. LPs should be cleaned when first played, and every few plays to protect them from dust and static. For assistance, contact the library.
5. Turntable should be on a flat stable surface.
6. Records should be kept in cool (not cold) and dry environments.
